

Missouri Division of Alcohol & Drug Abuse (ADA)

SAMHSA Access to Recovery Grant (ATR)

Educational Meetings for Faith-Based and Nontraditional Service Providers

Committed Caring Faith Communities will be hosting a series of informational meetings for faith-based and nontraditional service providers about the Access to Recovery program and how they can become involved as providers of recovery support services. Recovery support services include ancillary services that help people sustain their recovery such as child care, transportation, drop-in centers, recovery support groups, and care coordination. The ATR voucher program will be a collaborative effort between the recovery support service providers and the clinical treatment providers.

Meetings that have been scheduled to date include:
